

Express Scripts Canada

Corporate Overview

Express Scripts Canada is part of the most innovative pharmacy benefit manager (PBM) in the world! We are constantly working with insurers and plan sponsors (employers) to develop industry-leading solutions to deliver superior healthcare in a cost-controlled environment.

Express Scripts, our parent company, is No. 22 on the Fortune 500, employs more than 28,000 people and serves more than 80 million. Through constant investment in research and development (\$1.5 billion over 7 years), Express Scripts is one of the most innovative companies in the world.

At Express Scripts Canada, we leverage the strength and capacity of our parent company, while delivering solutions that are tailored to the Canadian market. We are known for our industry-leading data analysis, which we turn into actionable insights for our clients in both the public and private sectors.
