

EXPRESS SCRIPTS®

Extraordinary...

That's what we deliver.

Why settle for ordinary when you can have extraordinary? Get on board with this innovative new service!

Do you take **maintenance** prescription medications? You know the ones we're talking about – you take them regularly, **refill** them regularly and get **renewals** from your doctor. They are usually for conditions like asthma, high blood pressure or high cholesterol.

Join the Express Scripts Canada Pharmacy™ today and start taking advantage of the **benefits** to you and your family.

Ready to join? Don't wait!

- ONLINE at www.member.express-scripts.ca
- by phone at 1 855 550-MEDS (6337)

If you have questions or need assistance, help is just a click or a phone call away. Visit us online or call our Member Contact Centre toll-free to learn more.

Our pharmacists will work **proactively** with you, your doctor and your benefit plan to help you make the **best health decisions** and get the **most value** from your plan.

✓ Convenience

Medications delivered – via free standard shipping – directly to your home or to an address that you designate. Request prescription transfers, renewals and refills online, by phone or by mail.

✓ Value

Receive up to a 90-day supply of your maintenance prescription medication for a single dispensing fee, and we will work with you and your doctor to choose safe, approved, lower-cost medications, where possible.

✓ Peace of Mind

Auto Refills takes the guesswork out of refilling prescriptions. And you can privately consult an experienced pharmacist to answer your questions and help you safely manage your prescribed medications. Pharmacists are on call 24/7.

Here's how to join!

Just follow these simple steps

1. Tell us about you and your dependants

When you join, you will be asked to provide the following information:

- ✓ Name and contact details
- ✓ Date of birth and gender
- ✓ VIP Code
- ✓ Plan information from prescription drug card (if applicable)

2. Transfer your prescription(s)

All the information you need can be found on the label on your medication. For each medication, please provide:

- ✓ Patient name, current pharmacy name and phone number
- ✓ Name and strength of each medication
- ✓ Prescription (Rx) number and last date filled
- ✓ Number of refills and quantity remaining
